## Accent on Worship

*Vicar Kelly Sandin*

*"When he went ashore, he saw a great crowd; and he had compassion for them and cured their sick" (Matthew 14:14).*

This Ninth Sunday after Pentecost we will hear about Jesus feeding more than 5,000 men, women, and children. It's an amazing miracle we're all familiar with, but as I was reading it again I was struck by the crowd that followed

Jesus to that remote setting. Hoping to get away, after hearing about the death of John the Baptist, Jesus took a boat to a deserted place. Wherever this was exactly, the crowds heard about it and set out on foot to find him. This, in and of itself, is worth pondering. What had they heard or seen about Jesus up to this point that moved them in such a way? What were they expecting? Can you envision this massive crowd of all ages and genders, some ill and suffering, some able-bodied, some not, all making their way to him?

When Jesus got to his destination and found them there waiting his reaction was not one of frustration or weariness, but of compassion. His heart looked upon them with mercy and he healed their sick. Not the sick, but their sick. Because whenever there is illness, it impacts the whole community. So, Jesus walked among the noisy crowd, hearing his name called over and over again, seeing arms waving to get his attention, and he cured their sick. Miracle after miracle happened as Jesus worked his way through the crowd. With tears, praise, and awe they witnessed his healing compassion. And as if that wasn't enough, he had them sit to experience a miraculous meal!

As we gather to worship, come with expectancy. Come and wait to see Jesus who looks upon us with compassion and mercy, heals the broken-hearted, and cures our sickness. Let's witness the love of God that changes communities and share the meal of God's true presence.

## MPR Choral Stream Sponsorship

If you listen to the Choral Streaming service of Minnesota Public Radio, you may have recently heard that Mount Olive is now one of the Choral Stream sponsors. The Evangelism Committee selected this as one strategy to reach out to people who may be interested in coming to a worshiping community where excellent music is loved and heard.

Many thanks to the Mount Olive Foundation for funding this effort. Tune in and listen!

## The Reformation at 500: From Conflict to Communion

**Course Description:** On October 31, 2016, Pope Francis joined Lutheran Bishop Munid A. Younan, President of the Lutheran World Federation, in Lund, Sweden, for a joint commemoration of the Reformation. How did these two religious communities move from the intense conflict that marked 1517 to being able to commemorate together the Reformation? This course will begin by examining the religious, social and political environment of 1517 that provoked Martin Luther and others to raise the questions that caused what came to be known as the Protestant Reformation. It will look, from both Catholic and Lutheran perspectives, at what has happened in the Catholic and Lutheran worlds in the intervening 500 years. It will conclude by considering the current state of relationships between Catholics and Lutherans.

**Course Information:** Wednesdays, 9:30-11:30 a.m., starting Oct. 4, 2017, O'Shaughnessy Educational Center Auditorium, University of St. Thomas St. Paul Campus. Fee for the course: \$60. Instructors: Dr. Dirk Lange from Luther Seminary and Dr. Christian Washburn from the St. Thomas St. Paul School of Divinity.

## A New Social Group

A few members are thinking of starting a Mount Olive Singles group. It would be open to everyone; it's just that being single means one has to put forth more effort to participate in social events. Possible activities include going to museums, out to eat, or to movies and plays. Also the group might plan short, affordable trips together.

An exploratory meeting will be held on Saturday, August 12, at noon in the East Assembly Room. This is directly after the Mount Olive Book Club meets earlier in the West Assembly Room.

Your input is welcome!

## Summer of '17

And now it begins...at last! The parking lot will be closed for a number of weeks. How many? Six? Eight? Predicting is dangerous. Everyone will do their very best to get the lot available again as soon as possible. Until then, your best option for parking is the Minnesota Workforce Center lot, 1/2 block away-->

Please don't let the temporary unavailability of our parking lot keep you from coming to church! If you have concerns about how this will affect your ability to come, or if you have any other parking-related concerns, please be in touch with Art Halbardier at [property@mountolivechurch.org](mailto:property@mountolivechurch.org), or call him directly at 763-639-7701.

This week demolition and asbestos abatement begins inside, and prospecting for demolished house foundations outside in the lot. Perhaps someone left a safe full of money in their basement when they sold the house to the church way back when?

Also this week, a new security system will be installed in the building. The old one has been out of service for some time. The new system is designed to serve us for the short term, but also includes all the features planned for the remodeled front entry.

The most noticeable feature will be "touch panels" in the Parish House lobby and the two doors on the alley side. Yes! No more will you need to go to the alarm room to arm or disarm the system. Operating information will be circulated very soon. In the meantime, take note of the touch panels as you come and go. Let checking them become a habit. Setting off false alarms is unpleasant... this spoken from experience.

## News From the Neighborhood

### *Back In Action!*

After 12 weeks of maternity leave I started back in the office last Monday and have hit the ground running! My little helper has come along and really enjoys meeting with people and diligently working alongside mom. A sincere and heartfelt THANK YOU to this church body for being so supportive all along this journey, from walking (or limping rather) alongside my pregnancy to so graciously celebrating Rook's arrival with us. We are grateful to introduce her such a loving community and appreciate your continued support and prayers and we get the hang of parenthood.

### *Come be a part of the fun!*

This coming Saturday, August 5, will be a full, lively day at Mount Olive. The Bargain Box, Diaper Depot, and School Supplies programs will all be running, and the Community Meal will be served at 12:00. It's a wonderful time to serve the ministries we offer and get to know fellow members and neighbors.

If you can help out, give Anna S a call 612-827-5910 or come to church Saturday morning around 10:00. See you there!

## Farewell to our Vicar

Once again we find ourselves facing the transition between vicars. It's never easy to say goodbye after the grace we receive and give with these servants of the church every year, but it's part of our role as a teaching parish. Vicar Sandin concludes her year with us on Sunday, August 13. She has already graduated with her M.Div., and has been approved for ordination, so she will be ready and open for a call right as she leaves us. A reception will be given for Kelly by the Internship Committee following the liturgy on Sunday the 13<sup>th</sup>, and it will be an opportunity for us all to thank her for the blessing she has been among us this past year. As hard as it might be to say farewell, we also rejoice that the Church is receiving a gifted pastor for Christ's work.
