

Accent on Worship

Vicar Andrea Bonneville

...../ /
 - *Lucy, our cat.*

The other night while I was working on my sermon for this past Sunday, I left my word document open while taking a break. When I returned, I found this note from our cat, Lucy, and my sermon was gone. Luckily, clicking the undo a couple times brought me back to where I was, but my perspective had changed.

Admittedly, it was late at night and so my mind wondered a bit, trying to interpret what Lucy had typed, realizing that I don't even know how to type the division sign on my keyboard. Perhaps she was reminding me to never go into a career with numbers. But, jokes aside, Lucy's wandering onto my keyboard helped me to pause for a while and think about creation.

Think about the times our dog and cat have made us laugh or knew when we were having a bad day, the way the birds greet us in the morning, and how the pollinators are busy at work. It made me think the creatures that are nearly extinct and the ones that have shown great resiliency. And about my pets that have died though their memories continue to be a blessing.

On Monday (and at Mount Olive on Sunday), we celebrated the Feast of Saint Francis of Assisi, which has been a beautiful tradition of blessing the animals in our lives and remembering the fullness of creation.

It is said that St. Francis had gone into creation to preach sermons to the birds as if they were waiting to hear something. Although this reflects the person of St. Francis, I think the birds were also preaching to St. Francis, transforming him just as all of creation continues to transform us.

Lucy's sermon didn't make it into the pulpit on Sunday, but the proclamation of all of God's beloved creation will continue to shape and transform our lives.

Sunday Morning Schedule

There are **two worship services on Sunday morning, at 9 a.m. and 11 a.m.** To be able to continue COVID-related safety measures, we ask the following:

During this time, we will continue to request R.S.V.P responses for each worship in order to allow for physical distancing in the sanctuary. We will continue to require that you wear a well-fitting mask that covers your **nose and mouth**. Please do not move the pew ropes, to help with social distancing, and **please** leave the short pews for those with wheelchairs. This is especially important to protect those who are not vaccinated, including children. Coffee hour has been temporarily suspended.

The link to RSVP for worship is <https://www.signupgenius.com/go/mountolive> . This link will be live each Wednesday for the following Sunday.

Calling All Members!

The usher corps is in great need of additional people to serve at our doors and in our sanctuary. Due to the comings and goings of many of our tenured ushers, we are seeking any member, new or veteran, to serve on the usher corps. Duties have currently changed to accommodate our response to Covid-19, but they overall stay the same in the way we welcome our members and guests.

If you think you could give up your pew once every few weeks and be ready to greet, collect offering, and direct the communion traffic flow, you would be a prime candidate! This job is also really great for families, engaging all individuals while carrying out the necessary tasks.

If you would be interested in this position or if you have any questions about it, please contact Brian Jacobs at 612-251-5942 with a call or text. He will be happy to train anyone interested and would quite possibly have you fill in this coming 4th quarter for some of the people who are unable to be with us. Otherwise, you would be scheduled in the first quarter of next year. The number of times serving per quarter ranges anywhere from two to four times and may involve evening and weekday services, depending on the season.

*In the
 presence of God.
 Being the
 presence of God.*

Fall is upon us, but the unseasonably warm weather reminds me that Mount Olive has air conditioning in the sanctuary, thanks to our geothermal HVAC system. Let's check in with Marty Hamlin and Judy Hink on why air conditioning in our worship space is so important.

Harvest Festival

The Boldly Into the Future leadership team will be hosting a harvest festival and celebration on Sunday, October 24, after the semi-annual meeting. We need cooks and helpers to sign up to make this a success. Brats and beer and all the trimmings will be provided, but we're looking for cooks and bakers to make dishes at home and bring them in that day (or the day before, if necessary). We will also need set-up and take-down help before and after the event. Can you help? We certainly hope so! Go to the SignUp Genius link below, select the way (or ways!) that you can help, and sign up. We'll be in touch before the event with further instructions. Thanks! We hope to see you there.

Missions News

Help Afghan Refugees

While your Missions Committee considers how we might be more directly involved in Afghan resettlement, here is the latest expression of need from our friends at Lutheran Social Services of Minnesota:

Donate to our Emergency Housing Fund – this is the most emergent need we currently have. Please support a refugee family including Afghan families by easing their transition to MN. [You can donate at donate.lssmn.org/resettlement.](https://www.lssmn.org/resettlement) Any amount makes a difference! ***Please note: we are not currently able to place families directly into homes with community members.*** If you have a rental unit in the Twin Cities or St. Cloud areas that might be an option for a family, please let us know!

Send physical Target gift cards-- We can then give these to families upon arrival. If you take this option, please also provide us with your name, physical address, phone number, and the gift card's value (either through mail or email). This helps us a great deal. You can either buy a gift card and send it through the mail OR buy a physical gift card online and have it shipped to our address. Gift cards can be sent to:

LSS Refugee Services
C/O Cate Duin
2400 Park Avenue
Minneapolis, MN 55413

Help us restock our supply room – We are running short on key items! You can shop our online **Target Registry** and the items will ship straight to us! [Click here for the Target Registry.](#) These items make a difference for refugee families including Afghan families as they start their next chapter here in MN. Or, you can also [buy items from our Amazon list.](#) If you take this option, please also email us at refugee.services@lssmn.org with your name, physical address, phone number, and the value of the gifts you donated so we can issue you a receipt (which helps us too with tracking).

Getting to Know Our Newest Members

Over the next couple of issues of *The Olive Branch*, we will introduce you to some of our newest members who joined Mount Olive on September 19.

My name is **Gerald Lawson Duncan** and I go by my nickname, Jerry. I come to Mount Olive Lutheran Church by way of Fellowship Missionary Baptist Church located in North Minneapolis where I was a member for over a decade.

I was a member of the Men's chorus, the Missions Ministry and served as the chair at one point. I served on the Grief Ministry and the Culinary Ministry. I also volunteered for the food and clothing distribution and Vacation Bible School. I attended Bible study and Sunday School. I also volunteered for various groups and ministries when help was needed.

I attended Field Elementary, Ramsey Jr. High and Washburn High School, all in south Minneapolis, then on to the U of M Twin Cities campus.

I was employed as an Accountant at the U of M for 35 years and retired in June 2013. I now say that "I've mastered the art of doing nothing and I'm good at it!"

I live close to Theodore Worth Parkway and enjoy walking my Golden Retriever, Farmer. I love gardening and go crazy at garden centers every Spring.

I look forward to continuing my spiritual walk at Mount Olive Lutheran Church.

Ken and Gayle Schulz have a long history with Mount Olive. Gayle is a cradle Lutheran, who was baptized, confirmed, and married by her father. She met Ken after nursing school in St. Louis – both were singing in the Bach Society chorus. Soon after their wedding in 1972, they moved to Minneapolis and joined Mount Olive. Ken started grad school at the University and Gayle began a long career in geriatric nursing. While at Mount Olive, they were active in the "Young Marrieds" group, and their three children were baptized here. After completing his degree, Ken worked for Honeywell for seven years; then took a position with Pitney Bowes, and the family relocated to the town of Bethel, Connecticut. Ken finished his career at the Federal Aviation Administration's Technical Center. As an Engineering Psychologist, Ken worked with engineers and designers to make complex systems easier and safer to operate and maintain for their human users. The work took him into electric-power generating plants, factories, high-volume mail processing facilities, flight-simulator cockpits, and more. Gayle continued nursing and finished her career working with people at the end of their lives.

The Schulz family enjoys travel, and their long residence in New England gave opportunities to explore our nation's history in Boston, Philadelphia and Washington, D.C., and to appreciate the natural beauty of the Green and White Mountains and the Lakes District of New Hampshire. New York City was an hour-and-a-half away;

among the many experiences it offers, they especially enjoyed the Bach Cantata series at Holy Trinity Lutheran Church on Central Park West. Closer to home, state parks and nature preserves offered many trails, some easy, some steep and rugged.

They have returned to the Twin Cities with their daughter, Rebekah, and 2 granddaughters, Kaia and Lina, who also have joined Mount Olive. They are looking forward to participating in the worship life of the church. Gayle particularly has an interest in social ministry issues but wants to help anyplace she is needed. Ken enjoys singing, hiking and cycling, wood and metal working and electronics, and is sewing face masks for the family. He is enjoying choir with Cantor Cherwien. He has experience working with the recording console and hopes to be involved with that again.
