

We're happy to finally announce a full 2022-2023 series of Mount Olive Music and Fine Arts events! We'll begin in October with an early music concert with *Consortium Carissimi*, our Advent and Lent Processions, an Organ Recital in early January offered by one of the most sought-after recitalists in recent times, Katelyn Emerson, and Billy McLaughlin, who had been scheduled to perform in 2020, has agreed to reschedule that program for this spring. Topping it all off is our annual Bach Tage the second week of June 2023 learning and performing Bach's Cantata 105, conducted by Kathy Romey.

Mount Olive offers these free of charge to the community – bringing joy and beauty into a world in need of both. Simply come! If you would like to join the support toward this effort, we welcome that – see more information in this brochure.

It's a wide variety of events, and we hope you will join us!

- Cantor David Cherwien

***Billy McLaughlin with members of Simple Gifts***

Billy McLaughlin is recognized as an innovative performer and composer who embraces the advantages of acoustic guitar amplification, unorthodox techniques and altered tunings, while celebrating a gift for melody. His enormous yet fluid acoustic guitar tone has carried him around the world, to Billboard's Top-Ten Chart and most recently through a devastating medical disorder called focal dystonia. McLaughlin has had to re-learn the guitar left-handed and is in the early stages of what might be described as “one of the great musical-comeback stories of all time.” His story is the subject of an award-winning documentary film called *Changing Keys – Billy McLaughlin and the Mysteries of Dystonia*.
